G+ Produced in Denmark since 1901

BAKER F900 Freezer

Item number: 969500201

-5°C
-25°C

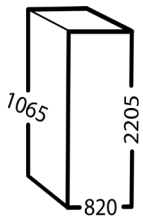
Professional refrigerated appliances must be designed to meet the daily needs of the bakery. BAKER F900 is a durable and reliable high-quality freezer with versatile applications, built for demanding professional use. Low operating costs, high temperature stability and easy cleaning make this freezer the ideal partner for professional users.

PRACTICAL DETAILS, GOOD ERGONOMICS AND EASY CLEANING
Electronic control with safety functions for optimal product protection, an easy changeable sealing strip, an ergonomic door handle, and an easy-to-clean stainless-steel surface are only some of the many advantages of this freezer.

SUSTAINABILITY AND ENVIRONMENTAL PROTECTION
All G+ products are made in Denmark. Regional suppliers, environmentally friendly production processes, ergonomic workplaces and an energy supply based on renewable energy sources make the production of G+ products one of the most advanced in the industry.

EVEN TEMPERATURE DISTRIBUTION
The freezer is equipped with a powerful, ventilated cooling system, which ensures a good temperature stability and air distribution. The efficient cooling system prevents the products from drying out.

WHAT IS G+?
G+ is Gram Scientific ApS's brand for professional refrigeration and freezer products for food storage.
'G' symbolizes, that we have roots in the Danish Gram Group.
'+' symbolizes, that innovation is a part of our DNA and that we continuously develop to live up to the needs and expectations of our customers.



MADE IN DENMARK

TECHNICAL SPECIFICATIONS

Product name	F900 G S RA L2 25B	**Energy efficiency class / EEI**	D / 60,3
Product type	Professional bakery freezer	**Energy consumption (kWh/year)**	2849
Temperature range	-25/-5°C	**Warranty**	1 year
Volume (gross / net)	949 / 661 liter	**Climate class**	5 (40°C/40% Rf)
Dimensions (BxDxH)	820x1065x2205 mm	**Sound level**	48,9 dB(A)
Material (exterior / interior)	Stainless steel / Stainless steel	**Door type**	Isolated door
Weight	186 kg	**Trays**	25 pairs of bakery support rails for EN-tray size 60x80 cm
Refrigerant / charge	R290 / 149 g	**Max. number of trays**	53 pcs. (60x80 cm) or 106 pcs. (40x60 cm)
GWP and Co2 equivalent	3 / 0,000447 t	**Equipped with**	Right-hand hung reversible door, self-closure, pedal door opener, 25 pairs of bakery support rails, and LED-lighting.
Refrigeration capacity at -25°C	882 W	**Variation options**	Door (left- or right-hand hung), castors instead of legs.
Connection	230 V, 50 Hz, 4,57A		
Connection load	736 W
