

Q50S

The manual sheeter Queen Q50 is the perfect ally for those who are looking for a great productivity machine, simple to use but reliable and very compact at the same time, thanks to its small size and to its foldable tables. The front handle allows a quick and easy adjustment of the cylinders' lowering and the joystick, on the machine's upper side, enables the operator to work in a natural and ergonomic position.

Two versions are available:

bench model (Q50B)

shelved structure on wheels (Q50S)
