

Invoq Bake 6-400×600 EN

Electric model

The Invoq Bake is the perfect kitchen appliance, where all the latest technologies have been made simple for you to use.

Increased rack spacing allows the circulating airflow to create perfect uniformity across the rack. You get an even and consistent bake covering all aspects of the baking kitchen from beautifully crusty breads to perfectly baked products from frozen and even delicately baked desserts.

The humidity creation and the automated cleaning system are controlled to utilise a minimum of energy and water without ever compromising quality results.
