

DELICE

Pastry & Gelato/Ice-cream cabinet

The DELICE cabinets can accommodate trays measuring 60x40 cm or 60x80 cm; they are equipped with n. 20 pairs of runners for trays support in the pastry models, while the gelato version is standard supplied with n. 5 shelves for positioning the gelato containers.

Made entirely in stainless steel by respecting the highest possible quality standards, they feature 75 mm thick insulation produced by injecting HCFC-free polyurethane resins, with utmost respect for the environment. They have a radial bottom that enables optimum hygiene and easy cleaning, and a slot-in easy replaceable magnetic seal. The temperature is controlled by intuitive electronic panel, easy to program, that allows the maximum precision of any working cycle
