## BAKER C900 Refrigerator

Item number: 949010120

Professional refrigerated appliances must be designed to meet the daily needs of the bakery. BAKER C900 is a durable and reliable high-quality refrigerator with versatile applications, built for demanding professional use. Low operating costs, high temperature stability and easy cleaning make this refrigerator the ideal partner for professional users.

### PRACTICAL DETAILS, GOOD ERGONOMICS AND EASY CLEANING

Electronic control with safety functions for optimal product protection, an easy changeable sealing strip, an ergonomic door handle, and an easy-to-clean stainless-steel surface are only some of the many advantages of the refrigerator.

### SUSTAINABILITY AND ENVIRONMENTAL PROTECTION

All G+ products are made in Denmark. Regional suppliers, environmentally friendly production processes, ergonomic workplaces and an energy supply based on renewable energy sources make the production of G+ products one of the most advanced in the industry.

### EVEN TEMPERATURE DISTRIBUTION

The refrigerator is equipped with a powerful, ventilated cooling system, which ensures a good temperature stability and air distribution. The efficient cooling system prevents the products from drying out.

### WHAT IS G+?

G+ is Gram Scientific ApS's brand for professional refrigeration and freezer products for food storage.

'G' symbolizes, that we have roots in the Danish Gram Group.

'+' symbolizes, that innovation is a part of our DNA and that we continuously develop to live up to the needs and expectations of our customers.

## TECHNICAL SPECIFICATIONS

Product name	C900 G S RA L2 25B	Energy efficiency class / EEI	C / 39,6
Product type	Professional bakery refrigerator	Energy consumption (kWh/year)	661
Temperature range	-5/+12°C	Warranty	1 year
Volume (gross / net)	949 / 660 liter	Climate class	5 (40°C/40% Rf)
Dimensions (BxDxH)	820x1065x2205 mm	Sound level	48,9 dB(A)
Material (exterior / interior)	Stainless steel / Stainless steel	Door type	Isolated door
Weight	186 kg	Trays	25 pairs of bakery support rails for EN-tray size 60x80 cm
Refrigerant / charge	R290 / 145 g	Max. number of trays	53 pcs. (60x80 cm) or 106 pcs. (40x60 cm)
GWP and Co2 equivalent	3 / 0,000438 t	Equipped with	Right-hand hung reversible door, self-closure, pedal door opener, 25 pairs of bakery support rails, and LED-lighting.
Refrigeration capacity at -10°C	627 W	Variation options	Door (left- or right-hand hung), castors instead of legs.
Connection	230 V, 50 Hz, 2,38A		
Connection load	408 W
