## Compact AD line

Bread making Machine Line

From One Supplier

• SALES • SERVICE • SPARE PARTS •

The "Compact AD" is a compact model of "AD Line", which stretches dough, rolls up dough sheet with filling and forms into filled product automatically. Wide variety of products, from filled products such as red bean bun, cream bread, Chinese bun to long products, roll bread and baguette can be easily made with the preeminent quality by S'IRESS FREE.@ system. Also, this compact machine has the high maximum production speed of 6,000 pcs/hour.

"Easy to see. Easy to use." colour touch screen.  
Product Memory Unit(P.M.U) store and recalls the production data.

Flour Duster(optional), can be mounted on the line and dusts flour uniformly onto the conveyor belt or dough sheet.
